The 20 second skin
reset for skin thats
under pressure.

Clinic. Cardio. Carry-on.

We don't live in
perfect conditions.

We live in ***motion.***

Sweat. Pollution. Grime.
Friction. Travel. Long days.
Late nights.

for real life.***

®

Same standard. Two formats.

prept *first.*

Born in clinic. Made for real life.

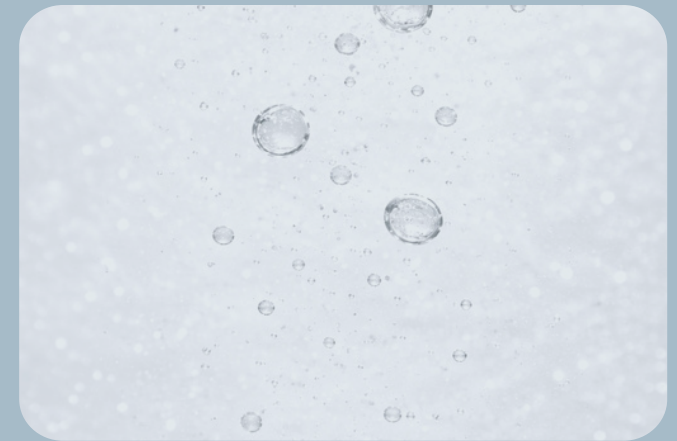

*Two **ingredients.** Thats the **whole** list.*

Purified water. Medical- grade salt.
Together they become hypochlorous
- the molecule your body already makes.

No sting and doesn't fight your skin.
It works with you at any moment.

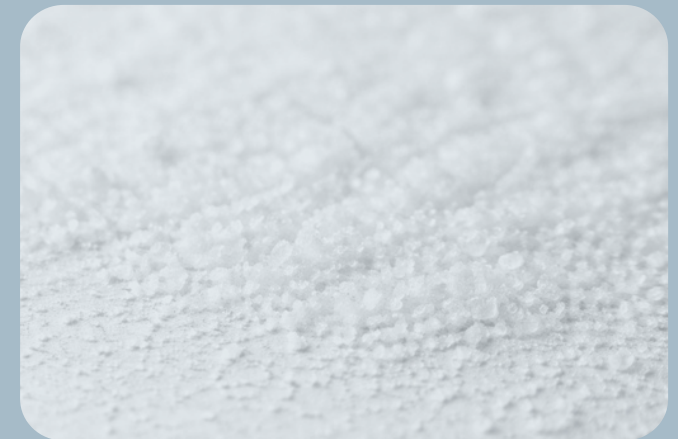

No alcohol.	No bleach
No preservatives.	No stablisers.

Nothing your skin didnt ask for.

the *prept* go plan

1

Mist

Use **prept** as your rapid reset
when life gets on your skin.

2

Pause

20 seconds.
That's all.

3

Go

Life moves.
You're **prept**.

A bottle that used to be
someone else's rubbish.

Before your bottle held prept, it was waste
washed up from the sea.

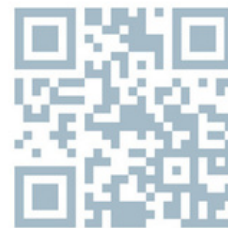

Collected in coastal communities like Bali,
where we have been to see the collection
centres for ourselves. Made from 100%
prevented ocean plastic. Recyclable, so it
can have another life after this one.

2% of profits, all year round, funds the prept
Foundation's work on access to safe
hygiene.

Not a campaign. Just how we work.
